Appointment of Standing Committee:
(The Vicar), Churchwardens, Treasurer and
Dot Mitcham

Co-options onto PCC: none this year.

All appointments were duly proposed and seconded and unanimously agreed by those present.

Lych Gates – some people may have noticed that the Lych Gates are missing. They were removed for safety reasons as they had fallen apart. The Vicar and Churchwardens will use legacy money to pay for replacing them and a plaque stating this will be placed on them. Three quotes have been obtained. An Archdeacon's faculty will be required. It was proposed **that the PCC approve of using Coopers to replace the Church Lych Gates – bespoke, like for like.** Duly seconded and all voted in favour.

Natalie thanked everyone.
